

RTS 28 Quality of Execution Annual Report

Firm: Brigade Capital Europe Management LLP (the “Firm”)

Disclosure Period: 1 January 2020 to 31 December 2020

The Markets in Financial Instruments Directive and the Markets in Financial Instruments Regulation (together, “MiFID2”), and Regulatory Technical Standard (“RTS”) 28 (Delegated Regulation (EU) 2017/576), as implemented in the UK, require MiFID investment firms to publish on an annual basis: (i) a list of their top 5 execution venues (including brokers) in terms of trading volumes for all executed client orders per class of financial instruments; (ii) a list of their top 5 execution venues (including brokers) in terms of trading volumes for all executed client orders in securities financing transactions per class of financial instruments; and (iii) for each class of financial instrument, a summary of the analysis and conclusions they draw from their monitoring of the quality of execution obtained on execution venues (including brokers) where they executed all client orders in the previous year.

Summary of classes of instruments included in this report, and class of instruments not included in this report (because the Firm has not executed client orders in that class of instruments):
